The Mission Statement of the Little Miss Farmington/Utah Organization:

In a world where growth is optional but change is inevitable, the Little Miss Utah Organization embraces the changes in a young woman's life and helps promote and enhance her growth through early introduction of service and volunteer opportunities. Through involvement in her community a girl can more fully recognize her individual strengths and abilities.

She is more likely to aspire to and attain goals in education, community, and personal growth. Through dedicated service, an individual can better identify her unique inner beauty and the gifts that lie therein.

The Little Miss Organization promotes the growth that helps these girls cherish the beauty of their own uniqueness!
